**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is good for consumers, offering competitive pricing. I went from paying close to 200\$ a month down to only 62\$ With Fiber.,. price hikes increase with only one provider..and I didnt like paying for channels that I never used on Cable.

now I have full internet access and its GREAT!

Internet is so important for my personal life, as a senior citizen I stay connect with family all over the world. I could not afford cable any longer.
